Camden County Utilities Authority

FISCAL YEAR: January 01, 2023 to December 31, 2023

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. Complete a brief statement on the Fiscal Year 2023 proposed Annual Budget and make comparison to the Fiscal Year 2022 adopted budget for each Revenues and Appropriations. Explain any variances over +/-10% (as shown on budget pages F-2 and F-4) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase or decrease in the budgeted line item, not just an indication of the amount and percent of change. Upload any supporting documentation that will help explain the reason for the increase or decrease in the budgeted line item.

Administration - Insurance - Decrease of 57.0% or \$254,646:

The increase was mainly due to reclassification of general ledger accounts. Insurance costs have also increased to reflect this. Cost of Providing Services – Miscellaneous COPS – Increase of 19.0% or \$516,907:

The increase was mainly due to reclassification of general ledger accounts. Insurance costs have also increased to reflect this. Cost of Providing Services - Sludge - Increase of 14.9% or \$807,207:

Sludge costs have increased due to the fallure of Dryer #1 in April 2023. It was anticipated that 90% of the sludge would again I processed through the dryers this budget year. With one unit down the total that could be processed through the dryers is 459 The remaining non-dried sludge will be hauled to landfill which is 50% more costly and in greater volume than in the previous y Repairs will not be complete until the 4th quarter of 2024.

Cost of Providing Services — Chemicals — Increase of 18.6% or \$943,920:

Chemicals costs have continued to increase significantly due to worldwide economic pressures. Sodium Hypochlorite, which is required for both the plant effluent disinfection and odor scrubbers, has increased 4 fold from previous contract prices. Additionally, the emulsion polymer now used to meet the demand of the new digestion system is much more efficient than the mannich composition used previously but also costs approximately 25% more overall.

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Program.

The Authority has been experiencing the same inflationary pressures that exist in the broader economy. Fortunately, due to the CCMUA's strong financial position, the Authority can absorb what it believes to be temporary prices increases without a rate increase while continuing to move forward with its robust capital program.

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget (i.e. rate stabilization, debt service reduction, to balance the budget, etc.) If the Authority's budget anticipated a use of Unrestricted Net Position, this question must be answered.

The CCMUA will utilize \$15 million in unrestricted net position to fund the CCMUA - Camden County shared services agreement for infrastructure.
